JANUARY/FEBRUARY 2024

Dear Neighbor,

The year of the Dragon is upon us! With 2024 in full swing, I'm so very grateful to be a part of our culturally rich and vibrant community.

The Richmond's many cultural traditions are just one of the many reasons why my husband Byron and I are raising our family here. Like so many of you however, **we are concerned about recent crimes** that have occurred in our neighborhood - small businesses in our merchant corridors continue to be **burglarized**, the Outer Richmond Bank of America had a vehicle ram through it to **steal an ATM** (a month after this happened at the CVS on 32nd and Clement), and on New Year's Eve we saw a man run through a residential street with a **dangerous weapon**, targeting cars.

That's why I am hosting **PUBLIC SAFETY NOW: A Community Forum for Neighbors and Merchants**. More information can be found on this page or by emailing info@votemarjan.com.

Now is the time to get involved - join me as we move our neighborhood in a new direction.

Sincerely,

PUBLIC SAFETY NOW!

A COMMUNITY FORUM FOR NEIGHBORS AND MERCHANTS

THE WISE CHOICE IN COLLEGE COUNSELING.

So many of our neighbors are doing creative and innovative things. My friend Bradley Solomon has lived in the Richmond most of his life and raised his family here. Previously a trial attorney with the California Attorney General, Bradley recently shifted gears and has dedicated himself to helping young people navigate the complex and stressful world of college admissions. With a UCLA certificate in college counseling, and experience successfully helping steer his two sons to top-ranked schools, Bradley works one-on-one with families and students to help them achieve their dream schools. If you are interested, reach out to Bradley directly and tell him Marjan sent you!
